CONNECTICUT  
SHOTGUN  
Manufacturing Company

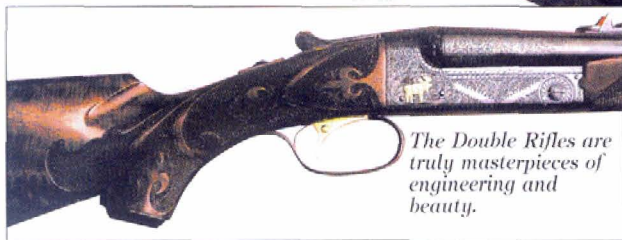

Connecticut Shotgun Manufacturing Company of New Britain, Connecticut introduces the C.S.M.C. Model 21 Double Barrel Shotguns and Rifles.

These shotguns are available in 12, 16, 20, 28, .410, and the double rifle - available in a number of calibers from .22 to large calibers. The 28 gauge and .410 are available on the standard frame or on a completely scaled frame.

The C.S.M.C. Model 21's are available directly from Connecticut Shotgun Manufacturing Company and completely manufactured in their facility in New Britain, Connecticut.

Each gun is custom built to the customer's exact specifications and every gun comes with a lifetime warrantee.

The guns are finished with modest engraving or very extensive elaborate engraving.

*The Double Rifles are truly masterpieces of engineering and beauty.*

↑  
*Model 21-5: Beautifully balanced between traditional scroll, game birds with a hunting dog scene on bottom of receiver.*
